

Chelan Public Utility District Wins IACCM Innovation and Excellence Award following innovative implementation of Corridor Company's Contract Management Solution

Chelan County Public Utility District was awarded the IACCM Innovation and Excellence Award for Strategic Direction following an expansive implementation of Corridor Company's Contract Management Platform, Contracts 365, in an effort to streamline their sourcing and contracting processes.

NEWBURYPORT, Mass. ([PRWEB](#)) November 06, 2019 -- IACCM (The International Association for Contract & Commercial Management) today recognized winners of the 2019 Innovation Awards during a ceremony at the Americas conference in Phoenix.

Among the winners, [Chelan County Public Utility District](#) was awarded the Innovation and Excellence Award for Strategic Direction following an expansive implementation of Corridor Company's Contract Management Platform, Contracts 365, in an effort to streamline their sourcing and contracting processes.

"Our organization needed to think differently about the synergy across Contract, Solicitation and Supplier Management." said Mark Belton, Contract Specialist at Chelan Public Utility District "Duplicative efforts and complex data relationships requiring the inclusion of board resolutions, engineering evaluations for competitive bids, complex contract retainage data and prevailing wage data forced us to rethink our processes from the ground up."

Mark concluded "I'm honored to receive this award from IACCM, in recognition of the substantial undertaking this project represented for our organization."

Tim Cummins, President of [IACCM](#) commented, "Fragmentation of process and activities is the enemy of efficiency. But more than that, it also stands in the way of innovation. By challenging the basics, Chelan Public Utility District have not only transformed slow, inefficient sourcing and contracting practices, they have also established a vision for the future."

"The platform for Chelan's new vision of supplier and contract management had to be robust, secure and extremely user friendly. Contracts 365 was designed to provide the perfect blend of those attributes." added [Corridor Company](#) CEO, Russ Edelman. " Mark's success with this project goes beyond software. His vision and conviction were the real driving factors here."

About IACCM

The International Association for Contract & Commercial Management enables both public and private sector organizations and professionals to achieve world-class standards in their contracting and relationship management process and skills. With over 60,000 members across 179 countries and 22671 corporations, IACCM is leading the way in responding to the demands of global networked markets.

About Chelan County Public Utility District

Chelan County Public Utility District was formed in 1936 by local voters who wanted affordable power for all county residents. Today, they operate three hydro projects that deliver clean, renewable, low-cost energy to

local residents and to other utilities that serve millions of residents of the Pacific Northwest.
